## NEWS RELEASE

*Press Release – For Immediate Release*

*Date: September 21, 2006*

### **Square Enix Chooses Koolhaus Games**

Koolhaus Games is the first North American developer to be chosen by the Japanese publisher Square Enix (Final Fantasy, Dragon Quest, etc..) to develop mobile games for them outside of Japan.

“We are honored that Square Enix has chosen us as their first North American mobile development partner and is a tribute to the great team we have here at Koolhaus” stated Wolfgang Hamann, President and CEO of Koolhaus.

Koolhaus Games is providing both development and porting services for this title.

The as yet unnamed mobile game will be initially available on the Cingular network in the US, with more networks to follow.

Koolhaus Games is an independent, 3<sup>rd</sup> party developer providing development and porting services for mobile, PC, console and hand held gaming platforms.
